Welcome to the Adventure! Your Adventure Pass Membership will allow you to rent camping gear, surf/kayak equipment, and climbing shoes and harnesses throughout the next calendar year without having to come back in and pay for it on a regular basis. Please read the procedures, standards and membership responsibilities before signing the agreement below and the accompanying liability waiver.

Adventure Pass Membership Responsibilities and Standards:

What you need to check out equipment:

- ❖ Adventure Pass Members will be required to sign up in person at the Rec Cen Cashiers Office Monday – Friday 8:30 am – 5:30 pm. For student pricing, a current UCSB student ID is required at time of sign-up or valid ID and any other form or proof of current UCSB student status or validation.
- ❖ Current Adventure Pass Members will be required to present a valid photo ID in order to rent gear at any of our rental centers.
- ❖ If your membership is less than one week old, please bring your membership receipt to rent out equipment.

Membership Information

- ❖ Your Adventure Pass Membership is valid only for your use and is non-transferable and non-refundable.
- ❖ The membership is valid for one calendar year from the date of purchase.
- ❖ The Adventure Pass membership will be linked with the members' BARC account for UCSB Students. Any and all late fees or damages will be charged directly through BARC or paid by member with cash, check, or credit card.
- ❖ Any abuse or misuse of the membership privileges or Adventure Programs property and gear may result in loss of current and future membership and no refunds will be given.

Responsibility

- ❖ The Adventure Pass member is responsible for the equipment checked out and for its return in proper condition and in a timely manner specified by the rental standards and procedures. (See below for certain gear limits and specifications.)
- ❖ Equipment must be returned in the same condition as checkout.
- ❖ It is Adventure Pass member responsibility, for their own security, to check and/or test out any gear before renting anything.
- ❖ Equipment must be returned by the Adventure Pass member who originally checked it out and to the original rental location during normal operating hours. See <http://recreation.sa.ucsb.edu/facilities/rentals/outdoor-gear-rentals> for the current quarter's locations and hours.
- ❖ Adventure Pass member is responsible for any late fees and the total cost involved to repair or replace lost, damaged or stolen rental gear and equipment.

Rental Standards

- ❖ Rental duration will be determined based off of current rental standards by specific rental center (e.g. Campus Point Rentals rents surf gear and kayaks by the hour and day whereas the Adventure Rental Center rents camping equipment by the weekend and week.)
- ❖ If the Adventure Pass member would like to extend the rental period for a specific piece of equipment, it is up to the discretion of Adventure Programs to decide if an extension will be allowed and/or any additional charge accrued. Late fees will be charged to the Adventure Pass member if an item is not returned by the agreed upon time, *unless* an extension has been granted.
- ❖ No reservations for equipment will be made. All equipment will be distributed based upon a first come first served basis.
- ❖ Weekly/Monthly surfboard and wetsuit rentals require additional charges and the Rent-to-Own Wetsuit program is not included in the Adventure Pass membership. However, Adventure Pass members do receive a quality 25 % discount for rates included in these aforementioned rentals and program.
