

SANTA CRUZ ISLAND ADVENTURE

3-DAY TRIP ITINERARY INCLUDING KAYAK TOUR

Welcome aboard! This will help you prepare for our adventure of fun and scenic beauty at Santa Cruz Island. The island is rich in marine and bird life, so be ready for fantastic sightings as we hike along the rocky shoreline. Activities on this trip include hiking, kayaking, watching beautiful sunsets from the bluffs, enjoying breakfast and dinner together at our campsite, and generally enjoying the remote feeling of this island adventure. We will travel with gear to the island on a boat operated by Island Packers, a partner of the Channel Islands National Park.

In order for your experience to be a pleasurable one, we ask that you thoroughly read the information in the handouts provided, including the **Itinerary**, the **General Trip Expectations** and follow the recommendations on the **Packing list**. You must supply your own lunches, money for road meals, and personal equipment. (Camping gear rentals are available <http://recreation.sa.ucsb.edu/adventure-programs/outdoor-gear-rentals>) This trip requires that you be in good physical condition. Please feel free to contact the Adventure Center at (805) 893-3737 during business hours if you need any additional information and/or our leaders have not contacted you five days before departure date.

Minimum Experience Level: Beginners welcome, good physical condition. Ability to swim.

Sample Itinerary:

Day 1: After arriving at the island, we will unload our gear, set up our campsites, and spend the rest of the day exploring the dramatic sea bluffs and relaxing in the coastal coves. We will then return to our campsite for a nice meal together and a well-earned rest.

Day 2: After having breakfast, we will prepare ourselves for a day of kayaking and exploring the caves and coves of the island. Depending on the desires of the group, afternoon outings may include moderate to more strenuous day hikes. On our return to the camp we will meet up again for a tasty dinner and a relaxing night under the stars.

Day 3: Again we will serve breakfast and prepare for another fun day at the island. We will spend the morning continuing to explore the island. Perhaps we will discover some Chumash relics or spot a bald eagle or island fox. Then we will pack up and hike back to the beach sometime early afternoon to prepare for our return to the mainland.

Meeting Time & Location: We will meet you at the **UCSB Recreation Center at 6:00AM** on the first day of the trip and drive by van from Santa Barbara to the Ventura Harbor. Please be on time since we need to make sure to connect with a boat in Ventura (about an hour drive) and the boat will not wait for us. The boat departs the harbor **ON TIME!** Island Packers is a ferry service and similar to an airlines, leaves on time no matter who is on board or not. Please be on time and remember there are **no refunds if you miss the boat**. Participants who become seasick easily are encouraged to bring over-the-counter seasickness remedies for the boat ride. Please consult us for specific recommendations. As an Island Packers baggage standard no bag may weigh more than **45lbs**, please pack carefully.

Approximate Drive Time: 1 hour depending on length of stops.

Approximate Sailing Time: 1 ½ - 2 hour depending on ocean conditions.

Approximate Return Time: 8 P.M. on Day 3 if the group departs the 4:30 ferry from the island.
